Train your whole office with no travel expense or time away from the office. All you need is a computer with Internet access and you can join in on the Webinar. You can watch the presentation, submit questions and participate in audience polls. Just add a projector for groups. Choose to listen to the audio over your computer speakers or dial in to a toll-free number. The login information is sent out several days prior to the event. Participate alone or with colleagues. Testing of your computer connection prior to the event is suggested and instructions will be provided with the login information. Free technical support is available.
